

# 14<sup>th</sup> Annual Golf "Fun"draiser

To support the efforts of the Architects & Engineers Legislative Council

## Component Organizations

**ACEC**  
American Council of Engineering Companies of WA

**AIA**  
American Institute of Architects/Washington Council

**ASCE**  
American Society of Civil Engineers

**IEEE**  
Institute of Electrical and Electronic Engineers

**LSAW**  
Land Surveyors Association of Washington

**SEAW**  
Structural Engineers Association of Washington

**WSPE**  
Washington Society of Professional Engineers

**ASLA**  
Washington Chapter/American Society of Landscape Architects

Eight trade associations and professional societies comprise AELC. It provides an organization for associations and/or organizations of architects and architectural firms, engineers and engineering firms in Washington State to work cooperatively on legislative objectives and issues for the improvement of business conditions. This is an excellent opportunity to **support the organization that fights for important issues** like tort reform, QBS, infrastructure funding and fair competition; to network with other professionals; **and to have a good time!**
